The screenshot displays the TNECD Applications web portal. At the top, a dark blue header contains the Tennessee Department of Economic & Community Development logo on the left and a "Logout" link on the right. Below the header, the main content area is titled "TNECD Applications" and features five application tiles arranged in two rows. The first row includes "Broadband Accessibility Grant" (with a photo of fiber optic cables), "Tennessee Emergency Broadband Fund – American Rescue Plan (TEBF-ARP) Broadband Program" (with a photo of a person at a computer), and "Community Development Block Grant" (with a photo of a gazebo). The second row includes "CDBG-CV PHA Broadband Application" (with a photo of two workers in hard hats) and "CDBG-Recovery Housing Program Application" (with a house icon). Below this section, a "Select Tennessee Applications" heading is followed by a single tile for "Site Development Grant". A large, faint watermark of the three-star Tennessee state emblem is visible in the background on the right side of the page.
